Liberty Township Launches ‘Notify Me’ Electronic Notification System

E-Notification System Designed to Keep Residents More Informed

LIBERTY TOWNSHIP, OH – Today, Liberty Township launched an online ‘Notify Me’ notification system that allows for residents to sign up for either email or text alerts.

To sign up for these real-time alerts visit www.libertytwp.org, click on the “Notify Me” button on the homepage, and from there residents can input their information and select how they preferred to be notified.

*“We have been working hard to expand our public outreach in order to keep the residents of Liberty Township in the know of what’s happening in our community,” said **Shyra Eichhorn, Liberty Township Board of Trustees Chair.** “This new notification system will help our residents be more connected and bring our community closer together.”*

For more information about Liberty Township and the wide range of services it provides its constituents, visit their website at: <https://www.libertytwp.org/>.
